Presented by: Dimensions Contracting

2009 Friends of CREW Spotlight

Dimensions Contracting is a general contractor who offers many services including:

- ❖ Interior Finish-out Office
- ❖ Industrial Medical/Healthcare
- ❖ Retail
- ❖ Construction Management
- ❖ Consulting
- ❖ ADA Upgrades

Dimensions Contracting has completed over 8 million square feet of commercial renovations and is currently ranked the 2nd largest Interior Finish-Out Contractor by the San Antonio Business Journal Book of Lists. Dimensions Contracting performs demolition, metal stud framing, drywall construction, acoustical ceiling installation, painting and general carpentry in house. This provides an added benefit to the client in cost savings and quality control. For specialty trades such as mechanical, electrical and plumbing Dimensions Contracting employs only subcontractors that have a proven record of performance and maintain a high level of professionalism.

Dimensions Contracting has opened a new division called Dimensions Technology Services. We now offer voice, video, and data cabling services.

Dimensions Contracting currently has offices in San Antonio and Austin.

President-Elect**

Commercial Real Estate Women (and men) understand how to support each other and make it through the tough times. In 2009, more than ever, CREW-SA is offering more opportunities to stay strong and push through the down turn that everyone is talking so much about right now. Let's not dwell on the negative, but focus on the positive and do our part to stimulate the economy and each other!

If you have not already, find a way to get involved. There are a number of committees for you to become involved in at any level of commitment. Choose from Programs, Advertising, Communications, Charity, Membership, Forum or CREW Careers. Each committee chair is looking for members with different levels of involvement from single task contributions to on-going year round support. Most people who get involved at the committee level see a significant value in their membership and actually see more deal transactions throughout the year than those who choose not to become active.

In addition to committees this year, your CREW Board has created more networking opportunities to fit any busy schedule. Membership has expanded the once semi-annual Member Orientation Breakfast to quarterly. This is a great way to learn more about those committees mentioned earlier, meet your board of directors and most importantly meet the newest members of CREW! Start making those connections early at the Member Orientation Breakfast! The first one for 2009 will be February 12th at 8:30 am at the Club on the 4th floor of the Heights Building (7373 Broadway).

If you are not a morning person and prefer a more intimate gathering, the new Dine Arounds may be just right for you. Check out local favorite eateries while getting to know your fellow CREW members and enjoy spirited libations while you are at it! Enjoy a great meal, and begin building life-long relationships that will be both professionally and personally rewarding. My first ever CREW event to attend was a Dine Around at a regional event in 07, where I formed two very significant relationships that catapulted me right into CREW-SA! Our first Dine Around is scheduled for March 4th at 6pm, location to be determined. Seating is limited.

As you can see there is no reason not to have a successful, positive and fun 2009! Create your own stimulus package and be an active member of CREW-SA!
