Director's Corner

Jason McClain
Treasurer

I am honored to serve as 2009 CREW San Antonio Treasurer. I would like to take this opportunity to extend a big thank you to everyone that volunteered to help put on an exciting and informative program at the Real Estate Forum this past month. Due to their efforts, the event was a success again with over 500 people in attendance. Believe it or not, planning will start soon for next year's program and I encourage you to sign up for any of the various committees that help make this event a success each year.

I would also like to remind everyone that the 4th annual CREW San Antonio Charity Golf Tournament will take place on Thursday, May 7th at Silverhorn Golf Course. The tournament format will be a 9-hole scramble with a shotgun start at 3:00. Registration and warm-up is at 2:00 pm.

Drinks, dinner, and networking will follow the tournament, with many great raffle prizes to be won. Spots are filling up fast so be sure to sign up now. For more information, please contact Helena Goodson-Hauk at Helenahauk@capitalcdc.com or (210) 679-4621 or Jennifer Kneupper at Jennifer.kneupper@mdnarchitects.com or (210) 340-2400.

If you are not a golfer, we still need your support. Raffle tickets are currently on sale, so be sure to buy your chance at some excellent prizes. Please contact me at Jason.mcclain@wallisbank.com or (210) 344-6080 with questions concerning the raffle.

The various benefiting charities, Board of Directors, and Charity Committee are greatly appreciative of everyone's support and we look forward to seeing you all on May 7th!

LUNCHEON JUNE 9, 2009

"Negotiation Skills"

Speaker: Milton Buckelew

11:30 a.m. - 1:15 p.m.

Oak Hills Country Club

Milton Buckelew is the president of The Negotiating Advisory Group. Since 1989, Milton has had a career focused on developing negotiating as a competitive advantage for large corporations. From an external to an internal and back to an external view, he has been personally involved in over \$10 billion worth of deals. His current clients are based in a variety of industries, including oil and gas, financial services, banking and others.
